This Webinar is part of a WHO series on "tackling rural health inequities", convened under the umbrella of World Health Day 2021 on "Health Equity". It is organized by the WHO/HQ Gender, Equity and Human Rights Team, with external partners including WONCA's Working Party on Rural Practice, OECD, and other agencies in the UN Inequalities Task Team (ITT) subgroup on rural poverty. The series runs from July 2021 to March 2022.
